AMENDMENTS TO THE SPECIFICATION

On page 22, lines 1-2, in the Summary of the Invention, please delete the chemical formula (Z')

$$0 = \begin{bmatrix} R^8 & Y^1 & Y^2 & Z^1 \\ Y^1 & X & X^1 & Z^1 \end{bmatrix}$$

and substitute the following chemical formula (Z') therefor:

$$O = \begin{pmatrix} R^8 & Y^2 & Z^1 \\ Y^1 & Z & (Z') \end{pmatrix}$$

On page 23, lines 3-6, in the Summary of the Invention, please delete the chemical formula (Z^{\prime})

$$0 \xrightarrow{\mathbb{R}^8} \mathbb{Y}^1 \xrightarrow{\mathbb{Z}^1} \mathbb{Z}^1$$

$$\mathbb{R}^1 \times \mathbb{X}^1 \times \mathbb{X}^1$$

and substitute the following chemical formula (Z') therefor:

On page 27, lines 17-19, in the Summary of the Invention, please delete the chemical formula (Z^\prime)

$$0 \xrightarrow{\mathbb{R}^8} Y^1 \xrightarrow{\mathbb{Z}^1} \mathbb{Z}^1$$

and substitute the following chemical formula (Z') therefor:

$$0 \xrightarrow{\mathbb{R}^8} \overset{Y^2}{\underset{Z}{\bigvee}} \overset{Z^1}{\underset{Z}{\bigvee}}$$
